# Welcome To The ~ EVERGREENS ~

The Evergreens is a family campground where your children can run and play in a safe environment. They can swim or ride bikes with other children. Your child will make new friends and have great memories and stories to tell.

The Kennebec River is a clean place to swim or rent one of our kayaks and / or canoes, and take the nine mile ride down to some islands to sun bathe or have a picnic. OH! Don't forget about the great fishing! We have some of the best rainbow trout, brown trout, brook trout, landlocked salmon, and ask where to find our small mouthed bass!

### MAKE A DAY OF IT!

When you are ready to go back to camp, our shuttle service can bring you and your family & boats back!

Enjoy a game of volleyball, horseshoes, or just sit by the fire pit at your site.

Our cabins are arranged with full size and twin beds. The large cabins have nice kitchens. All cabins have clean and fresh bathrooms with hot showers.

We offer many FUN things to do while staying with us! This friendly spot offers you a casual atmosphere in a scenic blend of Birch, Pine, and Oak trees, and beautiful views!

## A Little History.... Indians...

lived on these premises for thousands of years. Many of their artifacts and fireplaces have been found here, and the MAINE STATE MUSEUM has conducted archaeological digs on these grounds.

Ledge rocks on the opposite shore have Indian carvings (also called petroglyphs) said to be the best east of the Mississippi!

## 1775

Benedict Arnold's men came up the Kennebec River on their way to Quebec and camped here at what is now the EVERGREENS Campground.

The EVERGREENS Campground is now listed as a Historic Site and artifacts are on display in the restaurant (All artifacts found, are the property of The EVERGREENS).
